DETAILS:

On 23rd July, 2024 the Department of Management from the School of Commerce and Management, Arka Jain University organized the live streaming of the Union Budget 2024 at Room No. 612 at F Block. Faculty members and students from BBA, participated in the session. The Union Budget 2024, presented by Finance Minister Nirmala Sitharaman, focuses on supporting the poor, women, youth, and farmers, with significant announcements on job creation and middle-class relief. Major changes include revised tax slabs and increased standard deductions, alongside adjustments in capital gains taxes to boost economic activity. The fiscal deficit for FY25 is projected at 4.9% of GDP, with commitments to reduce it further next year. Customs duties have been reduced on gold, silver, platinum, and several industrial inputs, while exemptions have been granted for certain capital goods and medicines. Significant regional development funds are allocated for Andhra Pradesh and Bihar, including infrastructure projects and social grants. Other key initiatives include expanding India Post Payments Bank branches, creating new industrial parks, increasing housing provisions, and supporting start-ups by abolishing the angel tax. Enhanced agricultural support, new crop varieties, and women-centric schemes also feature prominently in the budget, along with substantial investments in skill development and employment-linked schemes.

Key Takeaways:

It was an insightful session that provided a comprehensive understanding of the latest financial policies and economic strategies.
