## NATIONAL SPACE DAY 2024

Date of Event	23/08/2024
Name of the Event	National Space Day 2024
Type of the Event	Academic and Awareness Program
Conducted by	School of Pharmacy, AJU
No. Of Participant	34

**OBJECTIVE:** The objective of the Space Day celebration is to raise awareness and spark curiosity about space science, astronomy, and exploration among students.

**DETAILS:** National Space Day in India is celebrated to raise awareness about the country's advancements in space exploration and technology. It aims to inspire curiosity about space science, especially among young people, and to highlight India's achievements in missions like Chandrayaan and Mangalyaan, as well as ISRO's contributions to the nation's space capabilities. Through various educational events, exhibitions, and activities, National Space Day seeks to encourage young minds.

In recognition of this important day, the School of Pharmacy at ARKA JAIN University organized a quiz competition on August 23rd, 2024, at the Sushruta Block seminar hall, starting at 1:30 PM. The event was held to honor the remarkable achievement of Chandrayaan's successful landing. The session began with an inspiring video presentation about the Chandrayaan mission, showcasing India's growing expertise in space technology. Following the video, a quiz competition was conducted, focusing on space science, the Chandrayaan mission, and general astronomy. The event engaged students from the pharmacy department, sparking a deeper interest in Science, Technology, Engineering, and Mathematics (STEM) fields and celebrating India's contributions to space exploration. The celebration concluded with the recognition of the top quiz participants and a call to further explore the fascinating world of space. The event was organized by Ms. Pratiksha Sarangi, Ms. Ankita Moharana, Ms. Priyanshu Priya, Ms. Rashmi Sinha, Ms. Sarmili Sahoo, and Mr. Saswat Gaurab Dash, under the supervision of Dr. Jyotirmaya Sahoo, Dean of the School of Pharmacy. Their collective efforts ensured that the event ran smoothly and left a lasting impact on everyone who attended. Sumaiya Mehndi and Hritik Raj jointly secured the first position, Piyush Kar won second place, and Syed Shahnawaz took third place. The students were awarded certificates for their active participation.

**OUTCOMES:** The Space Day Celebration at ARKA JAIN University resulted in increased awareness of space science, heightened interest in STEM fields, active student engagement through a quiz competition, recognition of top talent, celebration of India's space achievements, and inspiration for future educational initiatives

NATIONAL SPACE DAY QUIZ

(Touching Lives while touching the Moon: India's Space Saga)

Date: 23 August 2024

1. What year was National Space Day first celebrated?  
A) 1995 B) 2001  
C) 2005 D) 2010
2. National Space Day often highlights achievements in which field?  
A) Oceanography B) Robotics  
C) Space Exploration D) Meteorology
3. Which ISRO mission discovered water ice on the moon?  
A) Chandrayaan-1 B) Mangalyaan  
C) Gaganyaan D) Aditya-L1
4. What is the primary purpose of the Hubble Space Telescope?  
A) To monitor weather patterns on Earth B) To capture images of distant galaxies  
C) To study the Sun's surface D) To communicate with astronauts
5. Which celestial body was discovered by Galileo Galilei in 1610?  
A) Neptune B) Saturn's rings C) Jupiter's moons D) The Andromeda Galaxy
6. Which organisation is known for the Mars Rover mission "Curiosity"?  
A) ESA B) NASA C) JAXA D) Roscosmos
7. What is a common educational tool used on National Space Day?  
A) Space documentaries B) Cooking recipes c) Historical novels D) Gardening tips
8. What is the main component of the Sun's core?  
A) Iron B) Helium C) Hydrogen D) Oxygen
9. What event is commemorated by the annual "National Space Day"?  
A) The discovery of the first exoplanet  
B) Achievements and advancements in space exploration  
C) The launch of the first space station  
D) The first human-made satellite launch
10. Which Indian satellite was India's first?  
A) Cartosat-1 B) Aryabhata C) INSAT-1A D) GSAT-10
