OBJECTIVE: The objective of a **Plantation Drive in co-ordination with NSS** is to enhance environmental sustainability by increasing green cover, improving air quality, and promoting biodiversity through the systematic planting and nurturing of trees.

DETAILS: On **16th July 2024**, the School of Commerce and Management- BBA organized a meaningful plantation drive in Harisundarpur, reflecting the university's dedication to environmental sustainability. Faculty members, students, and staff came together to plant a variety of native trees in the area, aiming to enhance the local green cover and promote biodiversity. This initiative was not only a step towards improving the environment but also an effort to raise awareness about the importance of preserving natural resources. The drive in Harisundarpur showcased the university's commitment to fostering ecological responsibility and making a positive impact on the community.

OUTCOME: Increased green cover and heightened environmental awareness within the Harisundarpur community.
