**OBJECTIVE:** The main objective was to focus on raising awareness, serving the community, educating individuals, promoting social responsibility and honouring global observances like World Water Day.

**DETAILS:** World Water Day is aimed to raise awareness about freshwater issues and promote sustainable water management. It was established by the United Nations in 1993 to address global water challenges like scarcity, pollution, and inadequate access to clean water. Every year 22<sup>nd</sup> March is observed as world waterday. The day serves as a platform for education, advocacy, and policy discussions to ensure the availability of clean water for all and achieve Sustainable Development Goal 6. On April 6th, 2024, the Bhesajam Club of the School of Pharmacy at ARKA JAIN University, in association with NSS and NCC, organized an event named "Boond 2" in observance of World Water Day. This event, held under the theme of Jal Seva, took place in Gamharia with the primary goal of serving the community, particularly focusing on those who endure the summer heat without adequate hydration. The students and faculty members of the School of Pharmacy actively participated in this event by setting up a refreshing lemonade stall for the public. This initiative aimed to raise awareness about the importance of staying hydrated during the scorching summer months while also advocating for responsible water usage to prevent unnecessary wastage. Mr. Pravasranjan Das, with assistance from the students, prepared the lemonade served at the stall. The entire team engaged with the local community, educating them about the significance of proper hydration and the need to conserve water resources for sustainable living. The response from the public was overwhelmingly positive. Attendees praised the efforts of the students and faculty for their thoughtful initiative in bringing attention to such crucial issues. The event not only provided a service to the community but also sparked meaningful conversations about water conservation and responsible consumption. The entire event was conceptualized by Dr. Jyotirmaya Sahoo, whose vision drove the idea of 'Boond 2' as a platform for practical service and awareness. The event was effectively coordinated and executed by Mr. Sumanta Sen, Mr. Pravas, Mr. Rashmi, Mr. Ashutosha, Mr. Barun, and Ms. Purnima, who ensured its success and
