TECHNICAL QUIZ

Date of Event	19/02/24
Name and Type of Event	Technical Quiz
Conducted by	Prof. Surjit Paul and Mihir Mahakud
Type of Event	Skill Development
No. of Participants	39

Objective: The primary objective of the Technical Quiz was to assess and enhance the knowledge of students in various domains of computer science. The event aimed to provide a platform for students to showcase their expertise in topics such as computer fundamentals, networks, web technology, cloud computing, and programming languages. Additionally, the quiz encouraged a culture of continuous learning and in-house development, fostering technical skills among students.

Details: The School of Engineering & IT organized the Technical Quiz on 19th February 2024 at Block C, Room No. 330. Under the guidance of Dr. Ashwini Kumar and coordinated by Prof. Surjit Paul and Mihir Mahakud, the event saw active participation from Computer Science & IT students. The quiz was designed as an individual competition to test the participants' diversified knowledge in computer science.

In alignment with the idea of in-house development, the online quiz interface was developed by B.Tech CSE students. The rules and regulations for the event were structured by volunteers, with continuous supervision and support from Prof. Surjit Paul and Mihir Mahakud. A total of 80 students registered, and 39 participants appeared for the quiz. The event consisted of three rounds: in the first round, 23 students progressed to the second round, and in the final round, 7 students competed for the top positions.

The quiz covered a wide range of computer science topics, including computer fundamentals, networks, web technology, cloud computing, and programming languages. The competition was highly engaging, with participants showcasing their best efforts in a challenging environment.

Outcomes: The event successfully enhanced students' technical knowledge and problem-solving skills. It also provided them with an opportunity to experience competitive learning in a structured format. The winners of the quiz were:

Winner: Sahil Mandal

Runner-up: Vikash Kumar Jha

Additionally, the in-house development of the online quiz interface by Rohit Singh (B.Tech CSE, 1st Year) highlighted the students' programming and application development skills. The event was efficiently coordinated by Rohit Singh and Aman Kumar Keshri (B.Tech CSE, 1st Year), showcasing leadership and teamwork.
