### **DETAILS:**

The School of Commerce and Management conducted a session on “Decode Budget 2025 Insights & Implications with Mr. Mrityunjay Singh” on 4th February, 2025 at JEH Auditorium , from 10:00 AM for the students of BBA. The event was organized by Mrs. Sudeshna Sarkar , and Mr. Barun Kumar Jha under the guidance of Dr. Pompe Das Sengupta.

The aim of organizing this discussion was to hone the knowledge of our students on the coming budget session To begin with, the guest speaker spoke their mind on the different source through which government generate different sources of income, the execution of and the potential future effects of cashless economy. Unsurprisingly, this led to a wide spectrum of contrasting views – from being heralded as an inevitable future, to being poorly perceived positivity and doubtful future due to a severe lack of critical infrastructure and technology, to being an achievable dream that can lead to a more transparent economy and a possibility of less corrupt India.

We are thankful to Mr. Mritunjay kumar who shared their vast experience and knowledge and resolved the queries of our students .

### **OUTCOME:**

- 1) Enhanced engagement as students actively participated in the session, raising questions and discussing real-life scenarios.
