NUKKAD NATAK IN REFERENCE TO WORLD HYPERTENSION DAY 2024

Date of Event	13.06.2024
Name of the Event	NUKKAD NATAK In Reference to WORLD HYPERTENSION DAY Theme: “Measure your Blood Pressure Accurately control it, Live Longer”
Type of the Event	Extension Activities
Conducted by	School of Nursing
No. of Participants	30 participants

OBJECTIVES: To engage the local community in an interactive and impactful manner.

DETAILS: To mark World Hypertension Day, the School of Nursing, ARKA JAIN University organized a Nukkad Natak (street play) on June 13th, 2024 with the Theme: **“Measure your Blood Pressure Accurately controls it, Live Longer”** at Mohanpur Village. The event aimed to raise awareness about hypertension, its risks, prevention strategies, and management through an engaging and culturally resonant medium. Nukkad Natak, known for its powerful impact and grassroots reach, was chosen to effectively communicate health messages to the local community. The event was conducted under **SAMARITAN- The Nursing Club & Student Nurses Association of India (SNAI)** as well as **MHRD- UNNAT BHARAT ABHIYAN**.

The event commenced with a welcome address by Basic B. Sc. Nursing Student, who highlighted the importance of World Hypertension Day and the objectives of the Nukkad Natak. She introduced the theme of the play and its relevance to the community. The Nukkad Natak was performed by a group of enthusiastic nursing students who effectively used drama, humour, and storytelling to convey vital messages about hypertension. The key highlights included: **Introduction to Hypertension, Risk Factors, Prevention and Management**. Post the performance, an interactive session was held where the audience was invited to ask questions and share their thoughts. The performers, along with faculty members, addressed the queries, providing further information and clarification on hypertension. Refreshment was given to community people followed by Vote of Thanks by Mrs. Subhashree Rout, Nursing.

Overall the event was conducted under the Supervision & guidance of Prof. Shilpa. J (Vice Principal) along with support of Mr. Harish.

TAKEAWAY (OUTCOMES): Students will be able to provide promotive, preventive and restorative health services in line with national health policies and programs.
