The sprawling university spreads across 25 acres of lush green and leaving no stone of unturned in providing state-of-the-art facilities in various sectors including education, sports, entrepreneurship, research and other academic ventures. The campus of the University is situated at Mohanpur, Gamharia, Dist: Seraikela – Kharsawan, 13 km from the steel city, Jamshedpur. Popularly known as Tatanagar, named after the visionary industrialist Shri J.N.Tata, founder of TATA Groups. The magnificence of the university lies in the enhancement of various courses with leaps and bounds, ARKA JAIN UNIVERSITY aids each.

Introduction

The theme of this conference is not merely an observation; it is an acknowledgment of the complexities that weave through the fabric of literature and culture today. From the rapid advancements in technology to the challenges posed by globalization, from the fragility of cultural identities to the transformative power of socio-political movements, our cultural and literary ecosystems are at the nexus of numerous crises. The urgency of our gathering lies in the recognition that literature and culture are not passive bystanders but active agents in shaping the narratives of our time. Through this conference, we aimed to dissect, discuss, and deliberate on the multifaceted nature of the challenges we face, with a keen eye on uncovering potential solutions and pathways forward.

Objective

We invited learners to engage in insightful conversations, attend illuminating sessions, and connect with fellow participants who shared a passion for the preservation and evolution of literature and culture. Our conference was not just an academic exercise; it was a living testament to the resilience of the human spirit and its ability to find expression even in times of crisis. Our motto was to embrace the crisis as a catalyst for innovation, reflection, and rejuvenation. Together, we explored uncharted territories, navigated the stormy seas, and emerged with a deeper understanding of literature and culture's role in shaping the narrative of our shared human experience.

RATIONALE

Addressing the urgent need to navigate and transform scholarly approaches amidst evolving societal and cultural shifts.
