## OBSERVATIONAL VISIT TO HEMODIALYSIS UNIT- MGM HOSPITAL & MEDICAL COLLEGE

<b>Date of Event</b>	<b>25.10.2024</b>
<b>Name of the Event</b>	<b>OBSERVATIONAL VISIT to HEMODIALYSIS UNIT- MGM HOSPITAL &amp; MEDICAL COLLEGE</b>
<b>Type of the Event</b>	<b>Awareness of Trends in Technology</b>
<b>Conducted by</b>	<b>School of Nursing</b>
<b>No. of Participants</b>	<b>12</b>

**OBJECTIVES:** To develop a deeper understanding of the complexities involved in providing care to patients undergoing haemodialysis.

**DETAILS:** On 25th October 2024, the School of Nursing, ARKA JAIN University, organized an informative observational visit for 02<sup>nd</sup> Year GNM Nursing Students to the Haemodialysis Unit at MGM Hospital & Medical College, Jamshedpur. This visit was an essential part of the curriculum focused on enhancing the students' practical understanding of renal care and dialysis procedures, emphasizing Kinaesthetic Learning experiences.

Mr. Vivek, Lab Technician, was briefed about the Haemodialysis Unit, where students gained the basic concepts of haemodialysis, the importance of renal function, and the critical role of dialysis in managing patients with Chronic Kidney Disease (CKD). Students are actively engaged in kinaesthetic learning, a method that emphasizes learning through direct experience and hands-on practice. This visit provided the 02<sup>nd</sup> Year GNM Nursing Students a valuable opportunity to combine theoretical knowledge with real-world clinical practice. The hands-on experience in the Haemodialysis Unit not only enhanced their clinical skills but also equipped them with a deeper understanding of patient management in renal care.

We extend our sincere gratitude to the Principal, Prof. Mrs. Ginu Anie Joseph & Vice-Principal Prof. Shilpa. J. School of Nursing for their guidance & support. Thanks to the Nursing Faculties and Nursing Students for their dedication and hard work in organizing this event.

**TAKEAWAY (OUTCOMES): PO<sub>12</sub>:** Students will be participating in the advancement of the profession to improve health care for the betterment of the global society.

**PO<sub>04</sub>:** Students will participate as member of the health team in delivery of curative preventive, promotive and rehabilitative health care service.
