**Details:** The Rotaract Club of Arka Jain University (SCom), in collaboration with the Department of Management (BBA), proudly launched its first initiative under Project आशीष with a Plantation Drive on 23rd October 2024 at Hemkund Public School, Gomluri. The event was a remarkable step towards creating environmental awareness and encouraging students to actively participate in sustainability efforts.

The Plantation Drive witnessed enthusiastic participation from students, faculty members, and volunteers. The Director of Hemkund Public School graced the occasion and motivated the students by sharing valuable insights on sustainable practices and the crucial role young minds play in shaping a greener future. The students eagerly took part in planting saplings, understanding their responsibility towards nature, and learning about the long-term benefits of afforestation.

This initiative not only strengthened the bond between Arka Jain University and the local community but also set the foundation for future environmental projects under Project आशीष. The event successfully instilled a sense of environmental consciousness among the students, encouraging them to adopt eco-friendly practices in their daily lives.

**Outcome:** The Plantation Drive under Project आशीष successfully engaged students at Hemkund Public School, resulting in the planting of 20 saplings. The initiative raised awareness about sustainable practices, inspiring participants to contribute to a greener

future and reinforcing the Rotaract Club's commitment to environmental improvement and community upliftment.

With this successful beginning, Project आशीष is set to embark on many more initiatives focused on social responsibility, environmental sustainability, and community welfare.
