## QUIZ ON WORLD HEALTH ENVIRONMENTAL DAY 2024

Date of Event	26.09.2024
Name of Event	Quiz on World Health Environmental Day 2024
Type of the event	Quiz
Conducted by	ARKA JAIN University
No. of Participants	18

**OBJECTIVE:** Every year on September 26, we pause to reflect on our planet's health. World Environmental Health Day encourages us to safeguard our environment for a healthier future. It highlights the importance of clean air, safe water, proper sanitation, and effective waste management. The day emphasises how important it is to create a safe and healthy environment by tackling important concerns – including waste management, pollution control, clean air, water, and good sanitation.

**DETAILS:** On September 26, ARKA JAIN University organized a quiz competition to commemorate World Environmental Health Day. The event was coordinated by Prof. Taniya Ghosh in collaboration with the Institution's Innovation Council (IIC). The primary objective of this competition was to raise awareness among students about key environmental health issues such as pollution control, waste management, clean air, water sanitation, and sustainable practices.

What made this quiz unique was its virtual format, allowing students to participate remotely while engaging in a dynamic and interactive learning experience. The quiz consisted of 10 multiple-choice questions, each designed to test the participants' knowledge on various aspects of environmental health and sustainability.

At the beginning of the event, the rules and regulations were clearly explained to ensure a smooth and fair competition. The quiz lasted for one hour, during which participants actively engaged with thought-provoking questions, enhancing their awareness of environmental issues and their impact on public health.

**TAKEAWAY (OUTCOMES):** It was very informative and knowledge enriching competition for the participants. Virtual platform-based competition gives better experience to the participants.
