DIABETES SCREENING AWARENESS CAMP AT RSB TRANSMISSION, INDUSTRIAL AREA, ADITYAPUR

Date of Event	30.11.2024
Name of the Event	Myopia Awareness Session and School Children Eye Camp at Atomic Energy Central School, Jaduguda
Type of the Event	An Extension Activity/ Awareness Program
Conducted by	Ms. Bhavana Kumari, Mr. Pranab Das and Mr. Sarbojeet Goswami, DEPARTMENT OF OPTOMETRY in association with IKSHANA Club and NSS, ARKA JAIN University Collaborated with MoU partner, ASG Eye Hospital, Sakchi
No. Of Students Participated	05

OBJECTIVE: The key objectives of the Diabetes Screening Awareness Camp held at RSB Transmission on 30th November 2024 were to raise awareness about the growing prevalence of diabetes and its associated risks. The camp aimed to provide free diabetes screenings for employees, enabling early detection of the condition. Additionally, it sought to educate participants about the complications that can arise from uncontrolled diabetes, particularly focusing on the risks to eye health, with guidance from ASG Eye Hospital. The event emphasized the importance of early detection and effective management in preventing severe complications, ensuring a proactive approach to health within the workforce.

DETAILS: On October 30, 2024, the Department of Optometry, School of Health and Allied Science in association with Ikshana Club and NSS, Arka Jain University with collaboration of MoU partner, ASG Eye Hospital, Sakchi organized a comprehensive Diabetes Screening Awareness Camp at RSB Transmission, Industrial Area, Adityapur. The event aimed to raise awareness about diabetes prevention and early detection, offering free blood sugar screenings to employees. ASG Eye Hospital also highlighted the link between diabetes and eye health, providing essential information on preventing diabetes-related complications like retinopathy. The camp included awareness sessions on symptoms, risk factors, and lifestyle changes, alongside personalized health consultations for those with elevated blood sugar levels. The initiative was well-received, with employees expressing gratitude for the opportunity to undergo screenings and gain

valuable health insights, contributing to a healthier, more informed workforce at RSB Transmission. An interactive Q&A session allowed the employees of the company to engage and ask questions about eye health.

The session also featured an eye screening camp, where employees received on-site eye check-ups and immediate feedback. The event successfully raised awareness about myopia, promoted proactive eye care, and received positive feedback from attendees, highlighting the importance of such initiatives in fostering health consciousness among young students.

OUTCOMES: The outcomes of the Diabetes Screening Awareness Camp at RSB Transmission on 30th November 2024 were highly positive. A significant number of employees participated in the free diabetes screenings, which enabled early identification of individuals with elevated blood sugar levels. Many employees expressed gratitude for the opportunity to gain valuable health insights, and several were encouraged to seek further medical consultation. The awareness sessions were successful in educating employees about the risks and complications of uncontrolled diabetes, particularly in relation to eye health, with ASG Eye Hospital providing expert guidance. Overall, the event contributed to a heightened sense of health awareness among employees, promoting proactive health management and fostering a culture of well-being within the workplace.

Appreciation Letter

30th November 2024

To,
Department of Optometry,
School of Health and Allied Science,
ARKA JAIN University,
Jamshedpur, Jharkhand.

Subject: Acknowledgement and Appreciation for Eye Camp and Diabetic Awareness Session.

Dear Sir/Madam,

On behalf of RSB Transmissions Ltd., Unit-1, Jamshedpur, we extend our heartfelt gratitude to the Department of Optometry, School of Health and Allied Science, ARKA JAIN University, for organizing an Eye Camp and Diabetic Awareness Session for our employees on 30th November 2024.

The camp was an outstanding initiative and we deeply appreciate the meticulous planning, professional execution and compassionate care demonstrated by your team. The eye screening and diabetes awareness efforts have not only provided our employees with essential health insights but also emphasized the importance of regular health check-ups and lifestyle management.

We sincerely acknowledge the efforts of your esteemed department and commend your commitment to community service and public health awareness. Such initiatives truly embody the spirit of healthcare excellence and social responsibility.

Your initiatives are invaluable in fostering a healthier workforce and community.

Thank you once again for your exemplary support and service.

Yours sincerely,
For RSB Transmissions (I) Ltd.
