## **Event Report on** **World Environment Day -07<sup>th</sup> June 2024**

<b>Date of Event</b>	<b>07/06/2024</b>
<b>Name of the Event</b>	<b>World Environment Day</b>
<b>Type of the Event</b>	<b>An Environment and sustanibiliy development Programme</b>
<b>Conducted by</b>	<b>Ms. Parna Dhara</b>
<b>No. of Participants</b>	<b>7</b>

### **OBJECTIVE:**

Plant trees to increase the green cover on the university campus, which helps combat air pollution, mitigate climate change, and enhance the overall aesthetic and biodiversity of the environment. Engage students, faculty, staff, and local community members in hands-on activities like planting trees, caring for saplings, and maintaining green spaces, fostering a sense of ownership and connection to the environment.

**Inspire Action:** Inspire participants to take action beyond the event by continuing to plant trees, support environmental conservation efforts, and advocate for sustainable practices in their daily lives and communities.

**Create Awareness:** Raise awareness about the importance of preserving forests, combating deforestation, and protecting natural habitats for the well-being of present and future generations.

### **ABOUT THE EVENT:**

The World Environment day has been organised by the department of optometry, school of health & allied science as aligning the objective of life skill development, Best Practices. The tree plantation drive is open to all students, faculty, staff, and community members who are passionate about environmental conservation and eager to make a positive impact. By joining this event, participants will not only contribute to greening our campus but also inspire others to take action for a healthier and more sustainable future.

### **TAKEAWAY (OUTCOME):**

Tree plantation drives promote environmental sustainability by combating climate change, preserving habitats, preventing soil erosion, and supporting biodiversity. They also foster community engagement and raise awareness about the importance of environmental conservation. Tree planting initiatives raise awareness about the importance of environmental conservation and inspire individuals to take proactive steps in protecting our planet.

**Conclusion:**

In conclusion, tree plantation drives offer multifaceted benefits that extend beyond environmental conservation. They serve as a tangible way for individuals and communities to take action towards a more sustainable future, while also promoting social cohesion, economic prosperity, and environmental resilience. By continuing to prioritize tree planting initiatives, we can make meaningful strides towards creating a healthier and more vibrant planet for generations to come.
