#### **OBJECTIVE:**

To make students understand about the role of radio in spreading awareness. To provide the students with a platform to exhibit their talent and skills through radio creative production.

#### **DETAILS:**

The Department of Journalism and Mass Communication of Arka Jain University observed World Radio Day on 13th February. Pertaining to the theme for World Radio Day 2025 that is "Radio and Climate Change", the department of Journalism and Mass Communication promoted awareness about the changing climatic conditions. In this event students were also encouraged to use radio as a powerful tool to spread awareness among listeners.

Honorable Vice Chancellor of Arka Jain University, Prof. Dr. Easwaran Iyer, Chairperson-Board of Management Prof. Dr. S.S. Razi, Registrar Dr. Amit Kumar Srivastava, Chief Finance and Accounts Officer Smt. Richa Garg, Dean-Student Welfare Professor Dr. Angad Tiwari and Joint Registrar Dr. Jasbir Singh Dhanjal appreciated the Department of Journalism and Mass Communication for observing World Radio Day. The dignitaries also appreciated the students for their active participation and for showing interest in gaining skills on radio programme production.

The convener of the World Radio Day event was Dr. Rahul Amin, head of the Department of Journalism and Mass Communication and the coordinator of the event was Mr. Shyam Kumar, Assistant Professor, Department of Journalism and Mass Communication. During the event Dr. Rahul Amin, Head of the Department, while addressing the students about the significance of radio in society, shared how radio is an important medium for communication, entertainment, education and social awareness. It is important for students, especially journalism students to learn and acquire radio skills as it can open various career opportunities for them and help them yield a fruitful career after learning these skills.

On this occasion, students and faculty members of Arka Jain University enthusiastically participated in recording their voice in the audio production lab at the Department of Journalism and Mass Communication for their YouTube Podcast Channel 'AJU Radio Tarang'. The student participants and faculty members of Arka Jain University got a chance to showcase their talent by recording radio creative on the theme "Radio and Climate Change" and other topics. Students got the opportunity to learn the art of radio program production.

**TAKEAWAY (OUTCOMES):**

Students got to know about various career opportunities like Podcasting, Radio Jockey and online Creator etc. Students received an insight on how to utilize radio in spreading awareness about 'changing climate' and other important topics. Students came to know about the significance of radio in society.
