**Report on – Code of conduct: A standards of  
professional behavior  
Held on 13.06.2024**

<b>Date of Event</b>	<b>13.06.2024</b>
<b>Name of the Event</b>	<b>Code of conduct: A standards of professional behavior</b>
<b>Type of the Event</b>	<b>Professional Ethics Programme addressing cross cutting issues</b>
<b>Conducted by</b>	<b>Department of Optometry</b>
<b>No. of Participants</b>	<b>28</b>

**OBJECTIVE:**

The session was organized to increase the knowledge of optometry students about the standards of professional behavior, before they approach their clinical internship or any other industry. The objective of this guest lecture on standards of professional behavior is to establish a clear framework that outlines the expected ethical and professional standards for individuals within an organization. The primary objectives of this session was to Promote Ethical Conduct, Ensure Compliance with Laws and Regulations, Enhance Professionalism, Protect Stakeholders, Guide Decision-Making, Foster a Positive Work Environment, Maintain Public Confidence, Support Continuous Improvement & prevent Misconduct. By adhering to these objectives, organizations can create a culture of ethical behavior, protect their interests, and maintain a positive reputation in their industry and community.

**ABOUT THE EVENT:**

Our resource person was Mr. Anshul Pratap Singh, who joined us virtually from Sharp Sight Eye Hospital, Delhi. He is an optometrist in-charge & Clinical trainer pan india at sharp sight eye hospital. His specialty is on contact lenses, dispensing optics & team management and team building. His experience in code of conduct has given a deeper insight to the students. 28 students from the university participated in the session. This session provides deeper insights about fostering a culture of professionalism and ethical behavior within organizations and industries, contributing to overall workplace harmony and effectiveness. Information were shared about navigating ethical dilemmas in the workplace & a separate Q&A segment was also held, wherein a lot of brainstorming was done.

**TAKEAWAY (OUTCOME):**

Before the optometry student's steps into internship or any other industry, to make their fundamentals clear about standards of professional behavior, Mr. Anshul Pratap Singh, helped the students in better understanding. A practitioner's perspective is very valuable in professional behavior, a lot of insightful & sensible information were disclosed by Mr. Anshul. A lot of information were discussed to impart the knowledge about standards of professional behavior.

**CONCLUSION:**

The conclusion of the guest lecture on code of conduct: A standards of professional behavior, adhering to standards of professional behavior is essential for fostering an ethical, productive, and harmonious work environment. These standards provide a clear framework for ethical conduct, ensure compliance with laws and regulations, and promote a culture of accountability and respect. The positive outcomes of maintaining high standards of professional behavior include enhanced trust and credibility, improved workplace culture, better risk management, and sustainable business practices.
