“WORLD BRAILLE DAY 2025”

Date of Event	07.01.2025
Name of the Event	WORLD BRAILLE DAY Limiting The Limitations 3.0
Type of the Event	An Outreach Activity/ A Life Skill Development Programme
Conducted by	Ms. DEBANGINI, DEPARTMENT OF OPTOMETRY, ARKA JAIN University
No. Of Students Participated	27

OBJECTIVE:

In Observance of **World Braille Day** is observed annually on **January 4th** to raise awareness about the importance of Braille as a means of communication for blind and visually impaired individuals. The day also commemorates the birth of **Louis Braille**, the French educator who invented the Braille system in 1824. The importance of **World Braille Day** lies in its role as a platform to emphasize the significance of Braille in enabling communication, education, and independence for blind and visually impaired individuals.

DETAILS:

The Department of Optometry, ARKA JAIN University, organize **WORLD BRAILLE DAY** with the theme of **Limiting the Limitation 3.0** on 7th January 2025 at a National Association of Blind Senior Secondary School, Jamshedpur, to bring attention to the need for accessible resources in Braille and ensure visually impaired individuals can access education, information, and opportunities. It highlights the importance of creating an inclusive society where everyone, regardless of disability, has equal opportunities.

The day commemorates his contribution and inspires continued advancements in accessibility technologies. Braille enables visually impaired students to receive education equivalent to their sighted peers, breaking barriers in literacy. Knowledge of Braille fosters independence and confidence among visually impaired individuals.

The National Association of Blind Senior Secondary School students engaged in the event, preparing performances such as songs, poems, and the Annie game.

Towards the end of the event, from department of Optometry, ARKA JAIN University distributed braille sheets to students.

World Braille Day is a reminder of the need to create a more inclusive and equitable world where everyone, regardless of their abilities, can participate fully in society.

TAKEAWAY (OUTCOMES):

Observing Braille Day unites people worldwide in advocating for the visually impaired, promoting understanding, and celebrating diversity. By raising awareness about the significance of Braille, World Braille Day helps ensure that blind and visually impaired individuals can lead independent, empowered, and fulfilling lives.
