OBJECTIVE:

The aim is to stimulate student involvement and engagement, instilling a sense of accountability for cyber safety, and underscoring the critical importance of cyber security in the current digital environment. The department hopes that by putting on this event, students will become more aware of cyber threats and more equipped to cope with them. This will equip them with the knowledge and abilities needed to meet the difficulties of a world that is becoming more and more digitalized.

ABOUT THE EVENT:

The Department of Computer Science & Information Technology at ARKA JAIN University, Jharkhand, has organized a workshop on Cyber Security on February 2024, to actively involve students in promoting cyber awareness.

This event serves as a platform for students to showcase their creativity and knowledge while emphasizing the pivotal role of cyber security in safeguarding against digital threatsin our modern world.

"The goal of Cyber Security is to make the student body more aware and proactive by educating them about cyber security concerns and encouraging a vigilant mindset in the face of the constantly changing digital landscape.

The event was organized by Dr. Arvind Kumar Pandey and coordinated by Ms. Divya Paikaray and Mr Akash Kumar Bhagat, which spanned from 10 a.m. to 12.30 p.m.

TAKEAWAY (OUTCOME):

The event endeavours to empower students with a heightened awareness of cybersecurity, equipping them with the knowledge and skills necessary to navigate the complexities of the digital era confidently.

The ultimate takeaway is a community of students who are not only well-versed in cybersecurity principles but also actively contribute to promoting a culture of cyber awareness, ensuring a more secure digital environment for themselves and others.
