Description

About Company:

GlobalLogic is a leader in digital product engineering services. They help their clients design and build innovative products, platforms, and digital experiences for the modern world. For over 20 years, GlobalLogic has partnered with businesses across every major industry to make amazing products and connect the dots between people, products, and business opportunities. In 2021, GlobalLogic was acquired by Hitachi Ltd. GlobalLogics capabilities, combined with Hitachis Lumada, enables us to deploy Hitachis extensive library of digital solutions to the global market and to help customers and societies solve their issues through agile application development in the cloud. Headquartered in Silicon Valley, GlobalLogic operates design studios and engineering centers around the world, extending our deep expertise to customers in the communications, automotive, healthcare, technology, media and entertainment, manufacturing, and semiconductor industries.

FEW FACTS: Founded in 2000 Acquired by Hitachi Ltd. in 2021 28,000+ employees in 15 countries 500+ active clients 70+ private label customer labs 35 engineering centres 8 design studios 12 sales offices 350+ UX/UI designers & developers through Method
