

Brembo Brake India Pvt.Ltd.

Diploma Engineer Trainee

Job Profile Details

Placement Cycle **ARKA JAIN University - Placements 2024-25**

Job Location **Chakan, Pune**

Date of Visit **NA**

Position Type **Full Time**

Expected Hires **NA**

Sector **NA**

CTC **INR 21000**

Category **Level 2 - General**

Description

COMPANY PROFILE:

Brembo is a world leader in the design, development and production of braking systems and components for cars, motorbikes, industrial vehicles and machinery, for the OE market, after-market and racing. The Group has recently branched out into the design and production of safety systems.

Brembo guarantees the utmost safety and comfort and improved product performance thanks to process integration and optimization of the entire production cycle, from the initial design and cast-iron or aluminum casting to assembly, testing and simulations on the bench, track and road.

Brembo's constant quest for innovation calls for new technologies, new materials, new shapes and new markets; product performance is accompanied by the search for a unique style in line with the design of the equipped vehicles.

Research at Brembo is conducted at the Research & Development Centre, which has also been involved since 2002 in mechatronics, a border science that combines mechanics, electronics and informatics.

Brembo sells its products in 70 different countries and has production sites in Italy, UK, Poland, Czech Rep., Spain, Germany, Brazil, Argentina, the USA, Mexico, China and India. The products are marketed by companies located in the main outlet markets, with headquarters in France, UK, Sweden, Russia, the USA and Japan.

The Group has 10.000 collaborators; close on 10% of who are engineers and product specialists involved in research and development.

Eligibility :

S r . Criteria Particular

No.

| | | |
|---|---------------|--|
| 1 | Age | 18 to 25 Years |
| 2 | Gender | Male |
| 3 | Qualification | Diploma: Mechanical / Automobile / Electrical / Mechatronics |

Job Profile:

| Sr. No. | Criteria | Particular |
|---------|------------|--|
| 1 | Department | Machining Shop, Assembly Shop C Di |
| 2 | Profile | 1. HMC / VMC Operator 2. Disc Brake Assembly 3. Disc Machining |

Shift Work Time :

| Shift | In Time | Out Time |
|-----------|----------|----------|
| 1st Shift | 7:45 AM | 4:15 PM |
| 2nd Shift | 4:15 PM | 12:00 AM |
| 3rd Shift | 12:00 AM | 7:45 AM |

Motivation Allowance (applicable to BBI Trainee) :

| Tenure in BBI | Bonus to be Paid |
|---------------|-------------------|
| 6Months | 0.5 month stipend |
| 12Months | 0.5 month stipend |
| 24Months | 1 month stipend |

Facilities & Benefits:

- Canteen and bus facilities are

- Uniforms and safety shoes are

Traineeship & Employment Opportunity:

After successfully completing a 2-year traineeship, candidates have the opportunity to be absorbed as confirmed employees based on their performance in the following criteria: Productivity, Quality, Attendance, Suggestions, Written examination marks, etc.

Open for Courses

- Jain - Arka Jain University Jharkhand

Dip (3 Years)

1. Electrical & Electronics Engineering
2. Mechanical
3. Mechanical Engineering
4. Electronics
5. Electronics & Electrical Communication Engineering
6. Mechatronics Engineering

Dip

1. Electrical & Electronics Engineering
2. Electrical and Electronics (EEE)
3. Mechanical (ME)

Eligibility Criteria

Dip (3 Years)

All students are eligible

Dip

All students are eligible

Work Experience Criteria

No work experience based criteria defined yet!

Allowed Genders

[Y] Male students
[Y] Female students
[Y] Other Genders

Backlogs

Students with backlog(s) not allowed

Hiring Workflow

Pre-placement Talk

No Venue/Time specified

Technical interview

No Venue/Time specified
