OBSERVATIONAL VISIT TO PATHOLOGY LAB, ENDOSCOPIC UNIT, AND OT ROOM

| | |
|----------------------------|---|
| Date of Event | 28.10.2024 |
| Name of the Event | Observational Visit to Pathology Lab, Endoscopic Unit, and OT Room |
| Type of the Event | Awareness of Trends in Technology |
| Conducted by | School of Nursing, ARKA JAIN University |
| No. of Participants | 45 Participants |

OBJECTIVES: To observe and gain insight into the process and procedures in the pathology lab, endoscopic unit, and OT room.

DETAILS: The “**Observational visit to Pathology Lab, Endoscopic Unit, and OT Room**” was organised by the School of Nursing, ARKA JAIN University which was commenced on **28th October, 2024**.

All the students along with the two faculty members visited MGM hospital where all got chance to get orient various department and observed Sample preparation, testing, and result interpretation of pathology lab, Observed teamwork and communication among nurses, physicians and assistants and saw various endoscopes and equipment. Students also interacted patients and got to know different symptoms while undergoing the Endoscopic procedure. Staff welcomed all students, sharing expertise and fostering a collaborative learning environment. The observational visit was enriching experience, providing valuable insights into the pathology lab, endoscopy unit, and OT room. The expertise and dedication of the health care teams were truly impressive, and the visit has enhanced my understanding of Patient care and safety. Highlighted the importance of empathy and patient-centred care.

Therefore, we extend our sincere gratitude to the Principal, Prof. Ginu Anie Joseph & Vice- Principal Prof. Shilpa. J. School of Nursing for their guidance & support. Thanks to the Nursing Faculties and Nursing Students for their dedication and hard work in organizing this event.

TAKEAWAY (OUTCOMES): Students will utilize the requisite knowledge, skills and technologies to practice independently and collaboratively with all health professionals applying the principles of safety and quality improvement and Accept responsibility and accountability for the effectiveness of one’s own nursing and midwifery practice and professional growth as a learner, clinician and leader.
