OBJECTIVE: This workshop was organized for Faculty Members and Research Scholars of ARKA JAIN University, Jamshedpur to impart the basic functionality of the analytical software.

DETAILS:

On 17th May, 2025 the Department of Research organized a One-Day Workshop on STATCRAFT by Dr. Sonia Riyat, Head-Department of Research for the Research Scholars and Faculty Members of the University.

During the session, the participants got to know some of the diverse techniques to analyse different forms of datasets and generate meaningful analysis reports.

A feedback form was floated amongst the participants and most of the respondents claimed that they felt very satisfied after the workshop. The workshop felt relevant to all the participants and majority of the participants would recommend this workshop for others.

TAKEAWAY (OUTCOMES): The event proved to be fruitful as it helped the enrolled research scholars and faculty members into the Doctoral Programs get to know about a new analytical tool for data analysis. This would be very much helpful for a meaningful data interpretation too.
