Description

About Company:

QH Talbros Limited is a leading Auto Ancillary unit manufacturing Steering & Suspension Components for four wheelers, promoted by Talwar Group. The company came into operation in the year 1986. The cliental of the company comprises of Maruti Udyog Ltd., Tata Motors, Mahindra & Mahindra, Ashok Leyland to name a few. The Company is accredited with ISO/TS 16949-2002 & ISO 14001-2004 for Quality Management and Environmental Management System Quality Certificates from Det Norske Veritas. The Registered office of the company is situated at Plot No. 400, Udyog Vihar, Phase III, Gurgaon.

Apart from OE Customers, the company is also catering to replacement market through their network of Distributors/Dealers of Spare parts. The company is also exporting components to countries like USA, UK, Sri Lanka, Indonesia, Italy etc. The Company has entered into long term selling arrangements for supply of its products with Quinton Hazell Automotive, UK, Affinia Product Corporation, USA & Carraro spa, Italy.

An uncompromising quest for quality and superior technology has made our products the first choice for leading automotive manufacturers. QH Talbros meets the steering and suspension requirements for all segments including passenger cars, utility vehicles, tractors, off-highway vehicles, light & heavy commercial vehicles for OEMs in India and overseas.

With more than 25 years of hands on manufacturing experience, our six technologically advanced manufacturing

facilities have an annual installed capacity of 15 million plus assemblies with a portfolio of more than 1200 products. Best- in class facilities, design & engineering expertise together with the latest evaluation softwares like Unigraphics, Catia and cutting edge engineering test centers to evaluate products as per customers specifications have enabled us to meet impeccable quality, precision standard with which have carved ourselves as leaders in the domestic market.
