INTERNAL ACADEMIC AND AUDIT CELL (AAAC)

SCHOOL OF HEALTH AND ALLIED SCIENCE

Sub: Reframing of Internal Academic and Audit Cell (IAAC) for School of Health and Allied Science

This is to inform to all the faculty members and non-teaching members of School of Health and Allied Science that the Internal Academic Audit Cell (IAAC) for School of Health and Allied Science has been formed to maintain the academic records indisciplin. The quality of education in the School with its different departments. Therefore, the School bears the responsibility to ensure and promote good academic infrastructure and environment with quality education. The minimum standards expected to provide quality technical education and specially, availability of academic infrastructure for practical orientation has been prescribed as per the syllabus and curriculum. The role of the department is to ensure that the School must be adequately equipped to implement the curriculum to achieve the desired quality of education, uniformly as per the demand of the course offered. In the end of every semester this audit will be done by the senior faculty members. The Dean of the School shall ensure that the records/documents listed as per University IQAC should be maintained and accessible for both internal and external auditors.
