बूँद - 3 जल सेवा

AN EXTENSION ACTIVITY CONDUCTED AT MOHANPUR PRIMARY SCHOOL

Date of Event	06.04.2025
Name of the Event	Boondh - 3 Jal Seva an Extension Activity
Type of the Event	National Commemorative Day
Conducted by	School of Pharmacy in Association with NSS, NCC, BHESAJAM and UBA Cell of AJU
No. Of Participants	29

OBJECTIVE:

The primary objective was to raise awareness, serve the community, educate individuals, and promote social responsibility, while also honouring important global observances such as World Water Day. Additionally, the initiative aligned with the spirit of Jan Jatiya Gaurav Varsh, celebrating the rich cultural heritage, contributions, and resilience of tribal communities, and recognizing their invaluable role in shaping the nation's identity

DETAILS:

In line with the global observance of World Water Day, Bhesajam - the Pharma Club of the School of Pharmacy, in association with NSS, NCC and UBA cell of ARKA JAIN University, organized a community outreach event titled बूँद - 3 जल सेवा on 6th April 2025 at Naba Prathamik Vidyalaya, Mohanpur,. The initiative aimed to address both local and global challenges related to water scarcity, aligning with the goals of the Unnat Bharat Abhiyan. The core objective was to promote awareness about clean and safe drinking water, highlight the importance of sustainable water management, and serve rural communities facing water-related challenges. This year's event also proudly celebrated Jan Jatiya Gaurav Varsh, recognizing and honouring the contributions of tribal communities, particularly their time-tested, sustainable practices of water conservation and harmonious living with nature. The event, centred on the theme of Jal Seva, was held at Naba Prathamik Vidyalaya, Mohanpur, and also celebrated Jan Jatiya Gaurav Varsh, honoring the contributions and cultural heritage of tribal communities. Students and faculty members from the School of Pharmacy enthusiastically participated in the event by distributing refreshing lemonade to the school children. This thoughtful gesture aimed to emphasize the importance of staying hydrated during the scorching summer heat, while also promoting the responsible and mindful use of water to prevent unnecessary wastage. Under the guidance of faculty members, the students prepared the lemonade that was served to the children. In addition to promoting water conservation, the event also reflected the essence of Janjatiya Gaurav Varsh. Before the activities commenced, students were educated about the rich cultural heritage and significant contributions of

India's tribal communities. They learned how these communities have long championed sustainable living practices, especially in water conservation, through their deep-rooted connection with nature. This served as an inspiring reminder of the value of indigenous wisdom in addressing modern environmental challenges. The event was beautifully managed by student and was successfully coordinated by Ms Priyabati Choudhury, Ms Priyanshu Priya, Mr. Souradeep Dev, Mr Abhishek Ghosh, Ms. Nisha Panda, Ms Alka, Mr Sumit and Mr Barun Mandal. under the vigilant support and guidance of Dr. Jyotirmaya Sahoo, Dean, School of Pharmacy.

TAKEAWAY (OUTCOMES):

बूँद - 3 stood out as a commendable example of social responsibility and environmental awareness showcased by the School of Pharmacy at ARKA JAIN University. Through impactful actions and educational outreach, the participants not only supported the local community but also advanced the broader mission of encouraging sustainable practices and conserving water resources.
