"WORLD OPTOMETRY DAY 2025"

Date of Event	24.03.2025
Name of the Event	WORLD OPTOMETRY DAY 2025
ivalite of the Event	"Eyes to the Future: Optometry improving Global Wellness"
Type of the Event	A Commemorate event/ Competitive Event
Conducted by	Ms. DEBANGINI,
	DEPARTMENT OF OPTOMETRY, ARKA JAIN University
No. Of Students	56
Participated	

OBJECTIVE:

World Optometry Day is celebrated globally to recognize and appreciate the contributions of optometrists and to raise awareness about eye health and vision care. It is a special event to mark the occasion with enthusiasm and a commitment to promoting better eye care in the community and highlighting the vital role of optometrists in eye care, and promoting awareness about eye health.

DETAILS:

The Department of Optometry, ARKA JAIN University, celebrates WORLD OPTOMETRY DAY with the theme "Eyes to the Future: Optometry improving Global Wellness" on 24th March 2025. This theme highlights the role of optometry in shaping the future of eye care and its contribution to enhancing global wellness.

World Optometry Day, celebrated every year on March 23rd, is a global opportunity to raise awareness about the importance of eye health and recognize the contributions of optometrists.

The event commenced, followed by the lighting of the lamp. The Chief Guest the Vice- Chancellor, Dr. Prof. S.S. Razi, and HOD of Optometry Mr. Sarbojeet Gowswami, inaugurated the event, then they addressed the gathering by highlighting the important significance of eyes in our day-to-day life activities and delivered an insightful keynote speech emphasizing the evolution of optometry and its impact on public health. The day commemorates of contribution and inspires continued advancements in accessibility technologies and the growing need for accessible eye care services and early detection of visual impairments.

The session was engaged by the inaugural dance performance made by the B. Optometry and later engaged by the Poster/ Model making competition prepared by the participants of Optometry students and later on the event got engaged by the cultural dance performance. Certificates were distributed to the winners of the competitions and participants who made the event successful.

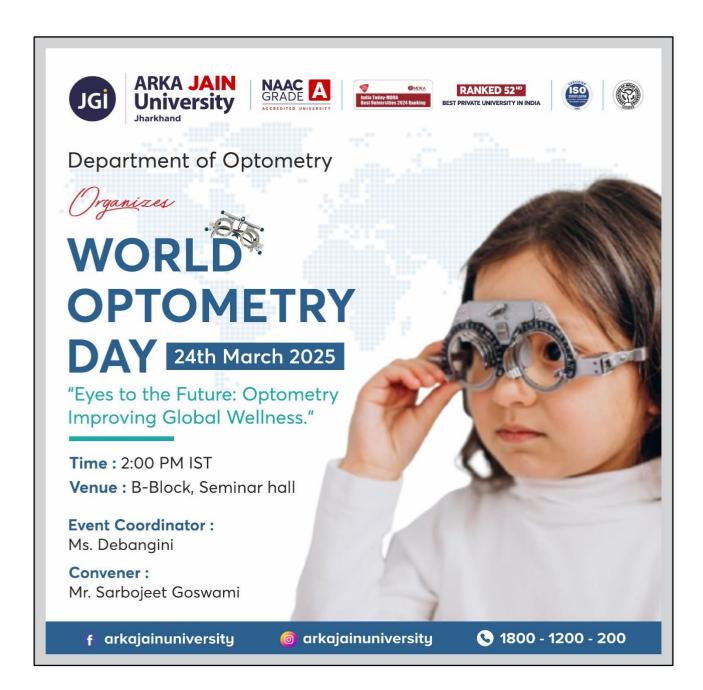

TAKEAWAY (OUTCOMES):

The celebration of World Optometry Day was a resounding success, highlighting the crucial role optometrists play in promoting eye health and preventing vision impairment. The event not only educated the public about the importance of regular eye check-ups but also fostered professional growth through expert talks, workshops, and interactive sessions. With active participation from students, professionals, and the community, the day served as a meaningful step toward raising awareness and strengthening the commitment to accessible and quality eye care for all. The enthusiasm and collaboration displayed throughout the event truly reflected the spirit of World Optometry Day.
