It has been an endeavor for ARKA JAIN University, Jharkhand to carve a niche for the young talents. Like every year, this year too we are organizing YUVA 2025 on 28th and 29th March in our University Campus. This event will occur on (28th & 29th March 2025) at (Open area in Block F) from (2.30 pm onwards). Other people will accompany you to this event to help you as much as possible. Our event (Human Ludo) will be comprised of a game for two, in which the player races their four tokens. From start to finish according to the rolls of a single die. Skills Assessed: Coordination & Concentration. To spin the die, teams have to answer the questions correctly.

The first team to give the correct answer will get a chance to roll the die. The teams will have to answer the question in under 30 seconds. Game will be in a clockwise direction. The game of Ludo is played with a mix of chance and strategy. You roll a die (singular for dice) and you may get any number between 1-6. Based on the number you get, you make your moves. What number you get depends on chance and what moves you make, depend on your strategy. It also assists in developing cognitive skills like problem-solving and decision making; as well as teaching good sportsmanship, the value of taking turns, sharing, and instills the spirit of healthy competitiveness. Assign this template in groups of four and let the good times roll. Director Shri Amit Srivastava and Director (Campus) Dr. Angad Tiwari, while congratulating the YUVA 2025 for such programs, encouraged the event co-ordinators and participant also to make it a success
