Presents

INNOVATION INTERSECTION: THE ENGINEERING AND TECHNOLOGY CONCLAVE

**Theme: Engineering & Technology Innovations:
Yesterday, Today and Tomorrow**

Date: 19th July 2025

ABOUT —.

Innovation Intersection: The Engineering & Technology Conclave will provide a forum to discuss significant issues with respect to innovations, trends & development in engineering science and technology, addressing issues for growth, requirement of faster pace of development, human resources etc. The Conclave will strive to suggest possible engineering solutions to the policy makers of the country.

OBJECTIVES —.

Engineering & Technology not only define how we work but it present in every aspect of our being. The Conclave will amplify the voices of Panelists who will be the Tech leaders, Tech visionaries, Founders, Technologists and Innovators from the field of Engineering & Technology. It will ensure a high quality knowledge sharing experience through exchange of ideas, perspectives and solutions, while addressing future global vulnerabilities by a versatile portfolio of speakers.

FOCUSED TRACKS —.

- **Make in India**
- **Engineering Trends**
- **Technology Trends**
- **Driving Innovations**
- **AI: Opportunities & Threats**

Convenors: Dr. Arvind Kumar Pandey, Dean, School of Engineering & IT, Dr. Ashwini Kumar, Dean, School of Engineering & IT and Dr. Charu Wadhwa, Assistant Director, Centre for Capacity Building and Human Resource Development.
