## RUKHSAT: FAREWELL FOR 6<sup>TH</sup> SEMESTER

<b>Date of Event</b>	<b>22.05.2025</b>
<b>Name of the Event</b>	<b>RUKHSAT “Fare thee Well” Batch 2022-25</b>
<b>Type of the Event</b>	<b>Cultural Event</b>
<b>Conducted by</b>	<b>Department of Biotechnology</b>
<b>No. of Participants</b>	<b>30</b>

**OBJECTIVE:** A term from Urdu that signifies "departure" or "farewell" is Rukhsat. It is frequently used to describe the act of saying good-bye to someone who is departing from a location or embarking on a journey. It's an opportunity to thank them for their time together, remember their common experiences, and wish them luck in their future pursuits. It's time to say goodbye to the graduating class of 2022–2025. It gives them closure as they get ready to start the next phase of their lives by allowing them to reflect on past events and memories.

**DETAILS:** To say goodbye to the graduating class of 2022–2025, the Department of Biotechnology arranged this event. Lamp lighting and guest welcome marked the beginning of the event. The Dean of the School of Health and Allied Science at AJU, Dr. Jyotirmaya Sahoo, graced the occasion. Dance performances by second and fourth semester students were featured at the occasion, along with a surprise performance by graduating sixth semester students. There were also interactive games available to let attendees decompress and have a little fun. With a trance dance music track playing in the background, it included a ramp walk display. Dr. Pratima Srivastava and Dr. Santosh Kumar Singh, two of the Department of Biotechnology's faculty members, gave their farewell addresses to the departing cohort. The event was graced by the presence of Dr. Pompei Das Sengupta (Assistant Dean, Department of Commerce and Management), Dr. Ashwini (Assistant Dean, Department of Engineering and IT) and Dr. Rajkumari Ghosh (Head, Department of English)

**TAKEAWAY (OUTCOMES):** A farewell celebration for graduate students helps to create an emotional, social, or organizational bonding among the students.

- ✓ Students shared their memories in a formal end to their academic journey in Department of Biotechnology, Arka Jain University. Expressions of gratitude, memories, and goodbyes with faculty classmates and juniors lead to a sense of emotional completeness.
- ✓ Speeches, awards, and recognition inspired graduates as they move into their careers or further studies.
- ✓ Classmates, faculty, and staff share final moments together, strengthening personal and professional relationships.
- ✓ Capturing the event creates lasting memories. Students were presented with mementos by the junior batch students.
- ✓ The students of junior batch while preparation and execution of the event learned effective planning and made it well-executed event. This also helps refine future farewell events. Enhances teamwork skills for student organizers or volunteers.
