Description

About Company:

Extramarks is among the fastest growing educational technology companies, with a global footprint. The company has a huge presence in India, South Africa, Indonesia and the Middle East. Extramarks has revolutionized the way education is perceived and delivered, custom creating learning solutions for the 21st century learner. They have a team of exceptional academics, technology experts and visualizers, who help simplify textbook learning through rich media based modules. Their efforts are supported by a 2000 strong sales team, present pan-India, which helps us reach directly to the final consumer. They have recently pressed the pedal to increase the sales momentum, opening offices in close to 70 cities, reaching hitherto unexplored geographies and people. Extramarks was founded in 2007 by Mr. Atul Kulshrestha, the visionary and transformative mind who has been leading the disruptions in the edtech domain from the front. In the past decade, a family of more than 3500 employees has come together to carry forth the Extramarks mission. Their product range is huge! From pre-school, to extensive K12 coverage, going over to higher studies and competitive exams, they have it all. They are also disrupting the coaching segment through the Extramarks Smart Coaching Centres, present in 17 cities with 23 centres. These centres provide coaching for IIT-JEE,

NEET and Foundation courses, through latest classroom technology and Indias top faculty.
