### Seminar on “World Water Day”

Date of Event	21.03.2025
Name of Event	Seminar on World Water Day
Type of the event	Skill Development & Civic Sensitization.
Conducted by	Ms. Aarsi Kumari, Dr. Arvind Kumar Pandey, Lt. Ranjeet Kumar
No. of Participants	51

**OBJECTIVE:** To mark the global observance of World Water Day, the Department of Computer Science & IT, in collaboration with the National Cadet Corps (NCC), organized an insightful seminar focused on raising awareness about the importance of freshwater and the urgent need for its sustainable management. The event served as an engaging platform for students, faculty members, and cadets to reflect on the water crisis and discuss effective conservation practices.

**DETAILS:** The session was formally inaugurated by the ANO Lt. Ranjeet Kumar, who addressed the gathering and emphasized the institution’s commitment to promoting environmental awareness and sustainability. He acknowledged the enthusiastic participation of the students and highlighted the vital role that educational institutions play in fostering ecological responsibility.

Following the inauguration, the speech was delivered by ESM Mr. Amardeep Samad. In his powerful and thought-provoking talk he shed light on the severity of the global water crisis, the specific challenges faced by India due to overpopulation and over-extraction, and the environmental consequences of water mismanagement. He further provided actionable strategies for water conservation, including rainwater harvesting, greywater recycling, and responsible consumption at the individual and institutional levels.

The seminar was further enriched by the insights of one of the NCC cadet who shared the commendable work undertaken by NCC cadets across the country in supporting environmental causes. He discussed NCC-led initiatives like water audits, local clean-up drives, and village outreach programs to educate citizens about water conservation. He stressed that NCC cadets are not just disciplined youth leaders but also eco-warriors actively working for a sustainable future.

A total of 51 students, including 37 NCC cadets and 14 students from department of CS&IT actively participated in the seminar. An interactive Q&A session, during which students raised pertinent questions and shared their perspectives on water conservation in their communities. Their contributions reflected a growing sense of environmental responsibility and a willingness to take part in practical solutions.

In conclusion, the seminar on World Water Day successfully achieved its goal of educating and inspiring students to become ambassadors of water conservation. It reinforced the significance of individual action, civic responsibility, and collaborative efforts in addressing the water challenges of the 21st century.

**OUTCOMES:** Enhanced awareness of the global and local water issues among students. Students

were motivated to implement water-saving measures at home and in campus settings. NCC cadets pledged to organize monthly awareness campaigns in local communities. The seminar promoted inter-departmental collaboration on sustainability initiatives.
