# Ph.D

## ABOUT THE Ph.D PROGRAM

The Doctor of Philosophy (Ph.D) program - a symbol of scholarly excellence, intellectual independence, and original contribution to knowledge, as offered by ARKA JAIN University; is designed to promote a strong research culture, innovation, and develop advanced analytical, methodological, and critical thinking skills among the scholars.

The program is structured to promote original research and innovation across diverse disciplines, including Commerce, Management, Computer Science, Mechanical Engineering, Electrical & Electronics Engineering, Biotechnology, Pharmacy, English, Journalism & Mass Communication.

Scholars enrolled in the program embark on a rigorous academic journey. They begin with Ph.D Course Work to build a strong theoretical and methodological foundation, followed by extensive research in their chosen specialisation.

Throughout the program, scholars are expected to publish their findings in reputed journals, participate in relevant conferences where they present their ongoing research work, engage in academic discourse, and contribute to the global body of knowledge in their chosen domain.

The research process culminates in the submission of an original doctoral thesis, which is evaluated through a public Viva-Voce examination. Successful completion of these requirements earns the scholar the prestigious Doctor of Philosophy degree.

The Ph.D program at ARKA JAIN University is governed by the Academic Council of the University and is fully aligned with the UGC (Minimum Standards and Procedure for Award of M.Phil. / Ph.D Degrees) Regulations, 2022.

The University is committed to providing a supportive and intellectually stimulating environment where research scholars can thrive and make meaningful contributions to their respective fields.

## EXEMPTION FROM Ph.D ENTRANCE TEST

The candidates who have qualified UGC-NET (including JRF)/ UGC-CSIR NET (including JRF)/ SLET/ GATE/ M. Phil./ GPAT are exempted from the written test. However, it is mandatory for all the candidates to appear before the selection committee for the interview.

## KEY FEATURES OF THE Ph.D PROGRAMME:

- The Ph.D is an advanced research degree pursued after the completion of a postgraduate qualification. It involves three or more years of independent, in-depth research on an original topic of significance to the chosen discipline.
- The Part-Time Ph.D Program is offered in a structured, on-campus mode (distance learning is not permitted), ensuring that scholars benefit from direct interaction, mentorship, and supervision by experienced academic and industry experts.
- A hallmark of the program is the requirement to produce a doctoral thesis that represents a substantial and original contribution to the existing body of knowledge in the field.
- The Ph.D is recognized as one of the highest academic degrees attainable, reflecting a scholar's expertise, scholarly rigor, and ability to conduct independent research.
- Upon successful completion of all program requirements — including thesis defense — the scholar is conferred the prestigious academic title of 'Doctor'.
