Description

Name of the Company: Ronch Polymers Pvt Ltd  
About the Company:  
(RONCH) was incorporated on 7th December 1995, with the Registrar of Companies, Mumbai. The Registered office of the company is situated at 11 & 12 Bussa Industrial Estate, T.J. Road, Sewri (W), Mumbai 400015 and has state-of-the-art manufacturing units at Daman & Pune. Ronch is one of the leading OEMs of Thermoplastic components utilizing Injection Moulding process on principal to principal basis as well as job work basis and caters to the Automobile Sector and the Water Purification sector. Ronch most noticeably manufactures and exports Pureit water purifiers for Hindustan Unilever Ltd. (HUL). The company specializes in precision injection moulding, injection mould tooling, assembly, project management, and design support. The company started its operation by taking over an existing small unit manufacturing plastic moulded items. Within a short span, new units were added, and operational levels were technologically improvised. The company established itself as a preferred supplier for multinationals and large Indian corporates due its quality parameters, competitive prices and commitment to delivery. The company worked closely with Hindustan Unilever Ltd. (HUL) to develop and design their successful water purifier brand Pureit. Some of the other reputed names Ronch has associated with are Tata Ficosa Automotive Systems Ltd., Tata Components System Ltd., Tata Toyo, Exide Industries Ltd., Whirlpool, Blue Star, Brita, Mahindra, Valeo, Bajaj, Samsung, Godrej, Zobe group among others. Ronch strives to offer innovative manufacturing solutions and to maximize customer satisfaction. Today, Ronch Polymers is a name that resonates high quality, timely supply and right

price and have diversified in various segments with a strong hold in.
