WORLD ENVIRONMENT DAY

Date of Event	05.06.2025
Name of the Event	World Environment Day
Type of the Event	Awareness Rally (Extension Activity)
Conducted by	National Cadets Corps
No. Of Participants	21

OBJECTIVE:

- To raise awareness among citizens about the importance of environmental conservation and sustainable living.
- To motivate youth, especially NCC cadets, to take proactive roles in environmental protection efforts.
- To instill a sense of responsibility towards nature and promote eco-friendly practices in daily life

DETAILS:

On the occasion of World Environment Day, an awareness program was organized by the Divisional Forest Office (DFO), Jamshedpur on 5th June 2025, with active participation from the NCC cadets of Arka Jain University. The theme for this year focused on “Land Restoration, Desertification, and Drought Resilience”, aligning with the global call for environmental action.

A total of 21 cadets participated in the awareness program, joining hands with forest officials, university faculty, and local community members to mark this important day.

Activities:

- The program began with a briefing session by DFO officials highlighting the significance of World Environment Day and the pressing need for land restoration and conservation.
- NCC cadets took part in a rally holding posters, banners, and placards carrying powerful environmental messages and slogans.
- Cadets actively participated in a tree plantation drive, planting saplings in the designated areas and learning about the importance of native species for ecological balance.
- Interactive awareness sessions were held with school children and local residents on topics such as reducing plastic use, saving water, and protecting local biodiversity.
- Cadets also assisted in clean-up activities, symbolizing their commitment towards a greener and cleaner future.

Interactive Session:

- Forest officers and environmental experts conducted an open session addressing the current environmental challenges and steps that individuals can take to contribute.
- NCC cadets shared personal reflections and encouraged younger students to become environmental stewards.
- The session ended with all participants taking an **environmental pledge** to protect nature and promote sustainable practices.

TAKEAWAY (OUTCOMES):

- The event succeeded in spreading meaningful awareness about environmental issues and the collective role of society in preserving nature.
- Cadets exhibited strong leadership and teamwork, effectively engaging with the community and promoting eco-awareness.
- The initiative fostered a deeper connection between youth and nature, reinforcing the values of conservation and sustainability.
- The program highlighted Arka Jain University's commitment to environmental advocacy and holistic development of its students.
