**OBJECTIVE:** The main objective to conduct this event is to spread the importance of Education awareness among the children. One of the most well-known and important missions in Indian history is the Education Awareness among all the youngsters.

### **DETAILS:**

Department of Computer Science and IT of ARKA JAIN University had organised an Extension activity on Education Awareness among rural children on 14<sup>th</sup> November 2024. The event was coordinated by Ms. Divya Paikaray, Dr. Arvind Kumar Pandey, Dean, ARKA JAIN University.

The students collected the books and education stuffs from the students and faculties of the university and nearby locality to help the needy children so that they could provide a little smile on their face. In today's Date education is most important thing for all the children but sometimes due to financial problems few children don't get the opportunity to get the education. By distributing books it shall help few children to get the education.

It was a very successful session appreciated by the participants. The participants got various inputs regarding higher education system.

**TAKEAWAY (OUTCOMES):** The motive is to get the children educated so that at least they could earn that much money which could full fill their daily needs. Few children were very happy as they wanted to study but they couldn't.
