## WORLD ENVIRONMENT DAY: PLANTATION DRIVE

<b>Date of Event</b>	<b>5 June, 2025</b>
<b>Name of the Event</b>	<b>World Environment Day: Plantation Drive</b>
<b>Type of the Event</b>	<b>Extension Activity</b>
<b>Conducted by</b>	<b>National Service Scheme (NSS)</b>
<b>Organizing Coordinator</b>	<b>Dr. Manoj K Pathak, NSS Coordinator-in-Charge</b>
<b>No. of Participants</b>	<b>19</b>

### **OBJECTIVE:**

To sensitize on the ill effects of single-use plastic on health, soil quality, and biodiversity

### **DETAILS:**

The National Service Scheme (NSS) unit of ARKA JAIN University observed World Environment Day on 5th June 2025 with a community outreach program at Harisundarpur village. The event was organized under the leadership of Dr. Manoj Kumar Pathak, NSS Coordinator-in-Charge.

The program focused on spreading awareness about environmental conservation and the harmful effects of plastic pollution. Villagers were sensitized on the ill effects of single-use plastic on health, soil quality, and biodiversity. NSS volunteers conducted an interactive session encouraging the reduction, reuse, and refusal of plastic products and emphasized the need for adopting sustainable alternatives in daily life.

As part of the celebration, a Plantation Drive was carried out in and around the village, where saplings were planted by the volunteers and distributed among villagers to promote greenery and community participation in environmental protection. Villagers were encouraged to plant and take care of the saplings, instilling a sense of responsibility and connection to nature.

The observance of World Environment Day successfully highlighted the importance of ecological balance, waste management, and the active role that individuals and communities must play in nurturing the environment.

**OUTCOME:** Villagers, especially youth and schoolchildren, became more aware of the importance of tree plantation and the harmful effects of plastic use on the environment.
