The School of Pharmacy at ARKA JAIN University is committed to delivering skill-based higher education through a future-focused curriculum designed to prepare diploma holders, undergraduates, postgraduates, and researchers for lifelong learning and leadership in the field of pharmacy.

Approved by the Pharmacy Council of India, New Delhi, the School integrates academic rigor with research-driven teaching methodology to cultivate a generation of professionals capable of contributing meaningfully to national healthcare and the vision of a disease-free nation.

What sets the School apart is its interdisciplinary approach—seamlessly integrating Pharmacy with Allied Life Sciences. This unique model enhances pharmacy protocols through collaborative research, fostering scientific innovation across health and medicine domains.

Our team of dedicated, highly qualified, and passionate faculty and staff members are united in their mission to drive academic excellence, research, and development.

The School of Pharmacy is committed to nurturing 21st-century pharmacists—professionals who will take on vital responsibilities such as managing drug therapies, counselling patients on medication use, monitoring therapeutic outcomes, and contributing to the development of new drugs for emerging diseases.

CHAI PE CHARITY

An initiative focused on skill development and entrepreneurship, aimed at motivating students to explore self-employment and entrepreneurial career paths. It fosters the creation of new businesses while also building the capacity of existing small and medium enterprises (MSMEs).

SWACHHATA KA SANSKAAR (Swachhta Pakhwada)

A cleanliness fortnight promoting environmental awareness and sanitation, aimed at mobilizing communities to contribute to Mahatma Gandhi's vision of a Clean India. This initiative under the Swachh Bharat Abhiyan highlights the urgent need for hygiene, as poor cleanliness is closely linked to high infant mortality and deteriorating public health.

PYAR BANTTE CHALO

A visit to elderly home aimed at promoting empathy, respect, and understanding. Through meaningful interactions with the elderly residents, students learn to connect with their needs, show respect for older generations, and gain insight into aging-related challenges—fostering a more compassionate and inclusive society.

FEMININE HYGIENE

Aimed to raise awareness and promote healthy menstrual and reproductive habits. The session effectively reduces stigma, increases knowledge, and empowers participant female students to make informed choices. By addressing the needs of both the genders, it also fosters inclusion and breaks taboos around menstruation.

NAITIK

is an initiative focused on combating all forms of malnutrition—addressing stunting and wasting in children—and ensuring that no one suffers from hunger or food insecurity.

KANGRI

free distribution of clothes to the underprivileged aims to instil human values in students by encouraging compassion, empathy, and social responsibility. This initiative not only supports those in need by providing essential clothing but also sensitizes students to the importance of giving back to society.

DHANWANTARI

Aims to promote the Siddha system of medicine and raise awareness among tribal communities about the economic potential of cultivating herbal plants—fostering income generation, employment, and about the traditional healing knowledge.

Gift A Plant

is an initiative to spread awareness about environmental sustainability while encouraging personal responsibility, community participation, and a shared commitment to nurturing a greener, healthier planet for future generations.
