WORLD MALARIA DAY IN COLLABORATION WITH NSS & SNAI

Date of Event	25.04.2024
Name of the Event	World Malaria Day
Type of the Event	Commemorative Day
Conducted by	School of Nursing, ARKA JAIN University in Collaboration with NSS & SNAI
No. of Participants	35 participants

OBJECTIVES: To end discrimination and stigma & to engage communities in health decision-making. To bring health care close to where people live and work through primary health care.

DETAILS: The day was established to provide "education and understanding of malaria" and spread information on "year-long intensified implementation of national malaria-control strategies, including community-based activities for malaria prevention and treatment in endemic areas.

School of Nursing, Arka Jain University in collaboration with NSS and Student Nurses Association of India observed World Malaria Prevention Day on 25/04/2024 at Musari Kudar village which commenced from 09:00 am. The program comes under the **UNNAT BHARAT ABHIYAAN**. The programme commenced with a welcome note by B. Sc. Nursing Student Ms. Diya Paul (01st Semester), from School of Nursing, Arka Jain University. B. Sc. Nursing and GNM students educated the community people about the disease where they briefed about the meaning, causes, signs and symptoms as well as preventive Measures of the Malaria with the help of AV Aids. Community people participated in quiz session where the Nursing faculty members asked the various types of question related to Malaria. The participants explained it nicely. The session was interactive. One of the participants was awarded with a mosquito net for briefing about the Malaria. Nursing Students delivered Vote of Thanks. The programme ended with the distribution of small packet of biscuit as snacks.

The program was successful under the Guidance & Support of Principal, Prof. Mrs. Ginu Anie Joseph & Vice Principal Prof. Mrs. Shilpa. J.

TAKEAWAY (OUTCOMES): Participating in World Malaria Day activities supports the global fight against malaria, contributing to health equity and improved quality of life for millions. Engagement from individuals, communities, and governments can drive progress towards the ultimate goal of malaria eradication.

PO₃: To provide promotive, preventive and restorative health services in line with national health policies and programs.

PO₃: To function effectively with members of the health team and community applying the knowledge of human relations and communication skills in her work.
