OBJECTIVE: To educate and sensitize individuals about the harmful effects of drug abuse and the importance of prevention

DETAILS: Drug abuse is a major public health concern that affects individuals, families, and society. Prevention through education, support, and early intervention is key to combating this issue and promoting a healthy, drug-free lifestyle. In this regard, the School of Nursing organized a Rally on Drug Abuse Awareness and Prevention Program on 26/06/2025 which was commenced at 10:30am from ARKA JAIIN University campus to Mohanpur village, seraikela, Kharsawan. The 5th semester B.Sc. Nursing students march to the village to educate the local community about the harmful effects of drug abuse and how to prevent it. The event emphasized the physical, mental, and social consequences of substance abuse. It also encouraged a drug-free lifestyle among people. Around 11:45 am the students march back from village to the university campus. The event was conducted under the guidance and supervision of Prof. Mrs. Ginu Anie Joseph, Principal, School of Nursing & Prof. Mrs. Shilpa. J, Vice Principal was lively and energetically executed.

TAKEAWAY (OUTCOMES):

This event helps the students to communicate effectively and provide promotive, prevention and restorative health services in line with national health policies and programmes & to enhance awareness towards the prevention of substance abuse, develop a positive attitude toward the prevention of substance abuse, develop drug refusal skills among adolescents, improve life skills, and help in the reduction of drug use behaviour among adolescents.
