Date of Event	12-04-2024
Name of the Event	Skill-Based Placement Workshop
Type of the Event	Co-Curricular
Conducted by	Department of Management
No. of Participants	53

KEY OBJECTIVES:

- **Skill Enhancement:** Participants will gain vital abilities that are highly valued in today's competitive job market through a series of practical exercises, case studies, and role-plays.
- **Industry Relevance:** Participants will be well-prepared to fulfil the expectations of their particular sectors thanks to the workshop content, which has been carefully selected to match with the most recent industry trends and requirements.
- **Networking Opportunities:** Attendees will have the ability to establish important professional connections with peers, alumni, and industry professionals that may prove useful in their future undertakings.
- **Career Advancement:** Participants will be in a better position to launch their professions or pursue post-graduation further education options by refining their abilities and acquiring useful insights.

DETAILS:

The goal of the five-day skill-based workshop is to improve the practical skill sets of final-year students from a variety of academic backgrounds through an intensive and participatory programme. Regardless of the course you're doing at our prestigious university, this programme is sure to change your life.

KEY TAKEAWAYS:

The workshop is designed to provide concrete learning objectives with the goal of improving the professional skills and competences of participants. Participants should anticipate achieving the following learning objectives throughout the workshop:

Improved Communication Skills: Participants will gain the capacity to communicate clearly both in written and spoken forms, during presentations, and in social situations in a variety of professional settings.

Leadership and Teamwork Proficiency: By gaining a grasp of team dynamics and fundamental leadership traits, participants will be able to cooperate with colleagues, lead teams, and settle disputes in a variety of professional settings.

Better Problem-Solving and Decision-Making Skills: Participants will improve their critical thinking skills, gain knowledge on how to assess complicated situations, and learn how to make well-informed judgments through interactive problem-solving exercises and case studies.

Efficient Time Management and Prioritization: In order to meet deadlines and accomplish objectives in both academic and professional contexts, participants will acquire techniques for effectively managing their time, establishing priorities, and allocating resources.

Enhanced CV Creation and Interview Ready: Attendees will acquire knowledge on creating impressive cover letters, resumes, and portfolios that adhere to industry norms. They will also receive interview technique assistance, along with confidence-boosting feedback sessions and simulated interviews.

Enhancement of Self-Efficacy and Confidence: Through active participation in skill-building exercises, participants will gain a sense of self-efficacy and preparedness to face the difficulties of the working world with resiliency and resolve.

Whole Professional Development: In the end, participants will receive holistic professional development, which will provide them the abilities, know-how, and self-assurance needed to succeed in their careers and contribute significantly to their industries.

The learning objectives have been thoughtfully crafted to enable participants and provide them with the fundamental proficiencies and aptitudes necessary for triumphing in the contemporary and cutthroat professional milieu. Participants will become competent, self-assured, and well-rounded professionals prepared to start their careers by active engagement in the workshop sessions.
