**SPECIAL SESSION ON: WOMEN'S ROLE IN STEM EDUCATION AND CAREERS**

<b>Date of Event</b>	<b>08.03.2025</b>
<b>Name of the Event</b>	<b>special session on: women's role in STEM education and careers</b>
<b>Type of the Event</b>	<b>Lecture by Chief Guest</b>
<b>Conducted by</b>	<b>Department of Electrical and Electronics Engineering, School of Engineering and IT</b>
<b>No. Of Participants</b>	<b>60</b>

**OBJECTIVE:**

International Women's Day (IWD) is celebrated globally on March 8 to honour women's achievements and advocate for gender equality. In 2025, the theme is "For ALL Women and Girls: Rights. Equality. Empowerment," emphasising the urgency to expedite progress toward gender parity. To encourage the students participation in science and technology an awareness session was organised on "**women's role in STEM education and careers**".

**DETAILS:**

On 08 th March. 2025, a special session entitled was **women's role in stem education and careers**" was conducted in offline mode. The event witnessed enthusiastic participation from 60 students eager to delve into the STEM education.

Dr. Kumari Namrata, Assosiate Professor, Department of Electrical Engineering, NIT Jamshedpur, served as the distinguished Chief Guest and speaker for the session. Dr. Kumari Namrata is an accomplished and dedicated researcher with extensive research experience. She is an Associate Professor in the Department of Electrical Engineering at NIT Jamshedpur. She has nearly 23 years of experience in academics and research. She has published more than 75 research papers in quality journals and international conferences. She is a senior member of IEEE.

The session was inaugurated by our Chief Guest Dr. Kumari Namrata and our respected Assistant Dean, Dr. Ashwini Kumar, School of engineering and IT. It was followed by lamp lighting by dignitaries and felicitation of the Chief Guest. The session was avery interactive session, during which students enthusiastically posed queries to the speakers, seeking further clarification and guidance on various aspects of STEM. Expert's responses provided valuable insights, further enriching the learning experience for the participants. The event concluded with a heartfelt vote of thanks extended to Dr. Kumari Namrata for her enlightening and engaging lecture, as well as to all the participants for their active involvement and enthusiasm.

**TAKEAWAY (OUTCOMES):**

The students got an insight about women's role in Science, Technology, Engineering and Mathematics. The girl students were encouraged to take up Education and careers in STEM. It highly motivated the girl students and enlightened them with the different opportunities provided by government in STEM education.
