World Malaria Day: Awareness Campaign

Dear Volunteer Students,

The National Service Scheme units of the University is going to observe World Malaria Day on 24th April, 2024 at 10.00 AM to raise awareness and action for protecting the self from malaria at Musrikudar Village, one of the adopted villages of the University.

On this very day the NSS volunteers of the School of Nursing would raise awareness about malaria prevention, control and treatment aligning with the global efforts to combat this disease.

All are hereby informed to take active participation in it for making it a successful community service.

WORLD MALARIA DAY: AWARENESS CAMPAIGN

Date of Event	24.04.2024
Name of the Event	World Malaria Day: Awareness Campaign
Type of the Event	Extension activity
Conducted by	NSS, ARKA JAIN University
No. of Participants	57 participants
Objective	To address factors that increase malaria risk
Outcome	Awareness among the village folk

The NSS units of ARKA JAIN University observed World Malaria Day with the village-folk of Musrikudar on 24th April, 2024 to provide "education and understanding of malaria" and spread information on "year-long intensified implementation of national malaria-control strategies, including community-based activities for malaria prevention and treatment in endemic areas.

DETAILS:

The NSS units of ARKA JAIN University observed World Malaria prevention Day on 25/04/2024 in association with School of Nursing NSS Student volunteers at Musari kudar village at 10.00 am. The programme commenced with students educating the community people about the disease, its definition, causes, sign and symptoms and preventive measures. Village people were encouraged to participate in quiz session by the volunteers.

Prof. Ginu Joseph and Ms. Pinki Dey of the School of Nursing communicated preventive measures of malaria among the villagers to make them aware of malaria prevention and cure. Prof. Ginu said that one should apply mosquito repellent with DEET (diethyltoluamide) to exposed skin. There should be draping of mosquito netting over beds.

Ms. Pinki Dey, Nursing Tutor and NSS Program Officer suggested to put screens on windows and doors. She further suggested to treat clothing, mosquito nets, tents, sleeping bags and other fabrics with an insect repellent called permethrin.

The villagers who could reply well after the sessions on malaria protection measures were rewarded with mosquito net. The programme ended with the distribution of small packets of biscuit. The volunteers displayed some art charts also to make the villagers aware of malaria, its causes, and protection measures.

NSS Program Officer Dr. Manoj K Pathak in his vote of thanks encouraged the villagers to keep themselves aware of malaria protection measures and practice accordingly.
