WORLD ENVIRONMENT DAY

Type of the event	Environmental Sustainable activity / Extension Activity
Name of the event	World Environment day
Date of the event	05-06-2024
Event lead	Dr. Arvind Kumar Pandey and LT. Ranjeet Kumar
Event co-coordinators	LT.Ranjeet Kumar/ESM Amardeep Samad/GCIKhushboo kumari

Objectives:-

To remove accumulated waste and pollutants from the riverbanks.

To raise awareness about the importance of keeping our water bodies clean.

To engage the local community in environmental conservation efforts.

To set a precedent for regular clean-up drives in the area.

Detail:-

The AJU-NCC Unit celebrated WORLD ENVIRONMENT DAY on dated 05/06/2024 on this occasion our ANO-LT. Ranjeet Kumar and ESM Amardeep Samad were present that day under this program our cadet conducted an awareness program. This program was run marine drive Domuhani

On the eve of World Environment Day, approximately 70 residents and the National Cadets Corps (NCC), AJU cleaned the domuhani river bed along the main Road of 2.5 km starting from the marine drive domuhani, June 5, 2024. They collected nearly 100 bags of plastic bottles and 50 bags of glass bottles from the pond. A large number of plastic and glass bottles reach river. These bottles and other waste pollute the river. This event was organized as part of the number of activities AJU conducts to protect and conserve river, such as regular documentation of resident and migratory birds which visit river, protection of flora and fauna along the river front, documentation of bio-diversity along the river, conducting bird walks, etc.

Outcome:-

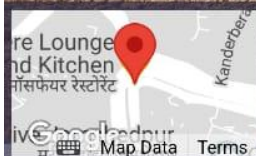

The World Environment Day river cleaning event at Domuhani Marine Drive was a testament to the positive change that can be achieved through community involvement and environmental stewardship. By coming together to clean our riverbanks, we not only beautified our surroundings but also took a vital step towards a healthier, more sustainable environment.
