National Technology Day

Date of Event	15.05.2025
Name of the Event	National Technology Day
Type of the Event	Professional Skill
Conducted by	School of Engineering &IT in association of IIC, AJU
No. Of Participants	22

OBJECTIVE:

The objective of celebrating National Technology Day on 15th May 2025 is to recognize and honor India's remarkable achievements in science and technology, particularly commemorating the successful Pokhran-II nuclear tests of 1998. The program aims to inspire innovation, promote research and development, and encourage youth to pursue careers in science and engineering. It also seeks to highlight the role of technology in driving sustainable development, supporting the Digital India and Atmanirbhar Bharat initiatives, and fostering collaboration among academia, industry, and government to build a self-reliant and technologically advanced nation.

DETAILS:

The Institution's Innovation Council (IIC) at ARKA Jain University is organizing an offline event on 15th May 2025 to celebrate National Technology Day, featuring an engaging Quiz Competition aimed at fostering awareness and enthusiasm among students about India's scientific achievements and the transformative power of innovation. This celebration seeks to inspire creativity, encourage problem-solving through technology, and highlight the vital role of innovation in building a sustainable and self-reliant future for the nation.

TAKEAWAY (OUTCOMES):

The key takeaways from the program include enhanced awareness among students about India's technological progress, a deeper understanding of the importance of innovation in addressing real-world challenges, and increased motivation to contribute to nation-building through creative and scientific thinking. The event also fostered a spirit of healthy competition, teamwork, and critical thinking, aligning with the goals of the Institution's Innovation Council to nurture a culture of innovation, entrepreneurship, and sustainability within the university community.
