OBJECTIVE: The objective of this event was to observe World Food Day and paying tribute to Padma Vibhushan Sir Ratan Tata for his compassion and contributions towards stray animals, particularly stray dogs. The event aimed to highlight the importance of food security for both humans and animals, fostering a sense of empathy and responsibility among students.

DETAILS: The Department of Commerce, B.Com (Hons), in collaboration with the Rotaract Club Jamshedpur, organized the World Food Day event on October 16, 2024, at Stray Army in Dalma. This visit was also meant to pay tribute to Padma Vibhushan Sir Ratan Tata and his compassion towards stray animals, especially dogs. Founders of the shelter, Shilpa and Piyush, shared their journey and inspiration drawn from Sir Tata's love for strays, which motivated them to establish Jamshedpur's only shelter which is supported by Ratan Tata sir. This is one of its kind hospital dedicated to rescuing, caring for, and rehabilitating abandoned and neglected animals. Upon arriving at the shelter, participants witnessed the resilience of numerous animals, each with a unique story of survival. The compassionate efforts of the shelter staff, who tirelessly provide a nurturing environment for these animals, left a profound impact on the visitors, fostering a heightened sense of empathy and responsibility. During the visit, the Rotaract Club members contributed essential items, including food, medicine, and sanitizers, to support the shelter's mission of caring for vulnerable animals. The immediate impact of these small gestures on the well-being of the animals made the experience more meaningful and reinforced the club's dedication to community service and animal welfare.

OUTCOME: The event successfully raised awareness among students regarding the significance of World Food Day and the need to address food insecurity, including the welfare of stray animals. The tribute to Sir Ratan Tata inspired students, emphasizing the impact of kindness and philanthropy. This event also strengthened the university's community engagement efforts by partnering with the Rotaract Club and advocating for animal welfare.
