NOTICE

SCHOOL OF NURSING

Ref. No: AJU/SON/126(ii)/25

Date: 25/06/2025

This is to inform all the B.Sc. Nursing, 5th Semester students (Session 2022–2026) that an observational visit has been scheduled, as a part of their Community Health Nursing curriculum, Date: 04th July 2025, Venue: SUB CENTRE, kolabiara ,Time: 10:00 AM onwards.

Learning Outcome:

After the visit the student will be able to:

- Understand the Structure and Organization, physical layout, staffing pattern, and administrative setup of the SC.
- Understand the functioning of OPD, IPD and emergency, maternity, and family planning services.
- Observe the roles and responsibilities of Nurses, ANMs and other staff.
- Apply theoretical knowledge in a real-world community health setting.
- Demonstrate effective communication with health personnel and beneficiaries.

All students are directed to report in proper uniform and carry their observation notebooks.

OBSERVATIONAL VISIT TO SUB CENTRE, KOLABIARA

Date of Event	04.07.2025
Name of the Event	Observational visit to sub centre, kolabiara
Type of the Event	Skill development, Outreach Activity
Conducted by	School of Nursing
No. Of Participants	28

OBJECTIVE:

To understand the functioning of a sub-centre as per Indian Public Health Standards (IPHS) & to observe maternal and child health services including antenatal and postnatal care, study family planning services and immunization procedures, to comprehend the record-keeping and reporting system at the sub-centre level.

DETAILS:

As part of the Community Health Nursing curriculum, the School of Nursing, ARKA JAIN University, organized an observational visit to the Sub Centre at Kolabiara on 4th July 2025, 10:00 am onwards for B.Sc Nursing 5th Semester Students. The visit aimed to provide practical exposure and understanding of the operational structure and healthcare services offered at sub-centre level, which is the most peripheral and first contact point between the primary health care system and the community. Orientation was given the ANM and health supervisor regarding the structure, services, and daily functioning of the sub-centre. Students were shown different areas including the outpatient area, immunization room, drug storage area, and record section, observed immunization sessions, antenatal check-ups, and counselling sessions for family planning, interacted with health workers to clarify doubts regarding service delivery, reporting formats, and community engagement activities. Introduction to various registers and reporting forms maintained at the sub-centre. The Program was conducted under the guidance of Prof. Ginu Anie Joseph (Principal) & Prof. Shilpa J (Vice Principal) School of Nursing.

TAKEAWAY (OUTCOMES):

Students gained practical insights into the sub-centre's role in delivering primary health care. Improved understanding of the public health service delivery mechanism in rural areas & enhanced knowledge of maternal and child health services, family planning, and national health programs operational at grassroots level.
