Initiatives for 'National One Health Mission'

Dear UBA Cell Members (Faculty), *Health and Allied Science*

The 'National One Health Mission' of Government of India, is a collaborative, multidisciplinary approach that unites human, animal, and environmental health sectors. It recognizes the interconnectedness of these domains, aiming to optimize health outcomes and address challenges across the sectors.

Unnat Bharat Abhiyan has been proudly made a part of it to promote rural communication and outreach for health and for that School of Health and Allied Science (Pharmacy, Biotechnology, Nursing, Optometry) is entrusted to conduct certain events in the first week of July, 2025 as directed by the Indian Council of Medical Research (ICMR), the implementing agency for National One Health Mission.

The Departments of the School of Health and Allied Science may conduct the following events as suggested by ICMR:

- Rural Health Projects
- Awareness Campaigns
- Interdisciplinary Hackathon to address Health Challenges
- Discourses/Sessions on Zoonotic Diseases
- Sessions on the Role of Traditional Medicines
- Study on Water-borne diseases
- Capturing Local Knowledge to Treat Diseases
- Microbial Surveillance in Water-bodies

It is hereby requested to propose a list of events and send to the UBA Cell, AJU by 1st June, 2025. The events may be collaborated with any Veterinary Hospital, ICMR, National Ayush Mission, Forestry or allied departments.

For any queries, please contact the undersigned.

AWARENESS CAMPAIGNS: INITIATIVE FOR NATIONAL ONE HEALTH MISSION

Date of Event	04.07.2025
Name of the Event	Awareness Campaigns: Initiative For National One Health Mission
Type of the Event	Extension activity
Conducted by	School of Nursing
No. Of Participants	27

OBJECTIVE:

The campaign aimed to promote the principles of the National One Health Mission, emphasizing the interconnectedness of human, animal, and environmental health & to educate the rural community of Kolabira on the importance of a collaborative approach to health and well-being.

DETAILS:

The School of Nursing, ARKA JAIN University organized an awareness campaign on the National One Health Mission on 4th July 2025 at Kolabira Village, located in the Seraikela-Kharsawan district under the Unnat Bharat Abhiyan. This awareness campaign aimed to spread awareness about the “One Health” concept, which recognizes the interconnection between people, animals, plants, and their shared environment. Introduction to the One Health Mission and its relevance to rural communities. Presentations on zoonotic diseases, sanitation, water safety, and waste management. Question & answer rounds and small group discussions. Basic screening for BP, blood sugar. Informative leaflets in the local language about disease prevention and hygiene practices. . The Program was conducted under the guidance of Prof. Ginu Anie Joseph (Principal) & Prof. Shilpa J (Vice Principal) School of Nursing.

TAKEAWAY (OUTCOMES):

Increased awareness among villagers about the risks of zoonotic infections, better understanding of the relationship between environmental, animal, and human health & Active participation of villagers and youth in community discussions. Strengthened community-healthcare provider relationship
