OBJECTIVE:

To raise awareness about the importance of Oral Rehydration Solution (ORS) in preventing and treating dehydration, particularly during diarrheal illnesses.

DETAILS:

School of Nursing, ARKA JAIN University, celebrated World ORS Day on July 29th 2025, at Musari Kudar village, starting at 9:00 am in association with SNA. The theme of the event was: **“Simple Solution for a Healthier Future”** focusing on promoting knowledge and capacity on raising awareness on the importance of Oral Rehydration Solution (ORS) through speeches, demonstrations, among community peoples of Musari Kudar village. The event proved to be highly beneficial for community people of Musari Kudar, for which one notable aspect of the event was the involvement of community people, who were encouraged to participate in ORS Day demonstrations to understand the correct procedures. This day highlights the life-saving potential of Oral Rehydration Solutions in treating dehydration, particularly among vulnerable populations such as children. Overall the program went successful, which was conducted under the supervision of Professor Mrs. Ginu Anie Joseph, Principal with the authorization of Pro vice chancellor Professor Dr. Angad Tiwari. Such initiatives play a crucial role in Oral Rehydration practices and ultimately contribute to the well-being of community peoples alike.

TAKEAWAY (OUTCOMES):

The Participation in World ORS day increased students' knowledge about the importance of ORS and the procedures to be followed how to prepare the Oral Rehydration Solution (ORS).
