A WORKSHOP ON ENHANCING ACADEMIC JOURNEY WITH OPEN ACCESS E- RESOURCES

Date of Event	29.08.2025
Name of the Event	A Workshop on Enhancing Academic Journey with Open Access E- Resources
Type of the Event	Professional Skill development
Conducted by	Ms. Debangini, Department of Optometry, ARKA JAIN University
No. Of Student's Participants	20

OBJECTIVE:

On August 21, 2025, the Department of Optometry, School of Allied Health Science at ARKA JAIN University, organized ***A Workshop on Enhancing Academic Journey with Open Access E- Resources***. To familiarize the newly admitted B. Optometry Batch 2025-29, 1st semester students with the library facilities and digital resources available, and to equip them with the necessary skills to access, navigate, and utilize the E-Library system effectively for their academic and research needs.

DETAILS:

As part of the Student Induction & Orientation Programme for the B. Optometry, Batch 2025-29, 1st Semester students, an informative session on the E-Library and Library Access was conducted by **Mr. Ashish Some**, Deputy Librarian, ARKA JAIN University, on 29th August 2025. The session aimed to familiarize the new students with the available academic resources and guide them in effectively utilizing the library facilities for their academic journey.

Mr. Ashish provided a comprehensive overview of both the physical library infrastructure and the E-Library portal, highlighting how students can access textbooks, reference materials, journals, and e-resources. He demonstrated the process of logging into the digital library, searching for materials, accessing online databases, and making use of open educational resources (OER). The session also included a brief on library rules and regulations, borrowing procedures, and the importance of academic integrity. Students were encouraged to develop the habit of self-directed learning and to regularly explore academic literature relevant to the field of optometry.

TAKEAWAY (OUTCOMES):

The interactive session was well-received by the students, with many of them raising queries related to access, login credentials, and the types of content available. Mr. Ashish

addressed all questions patiently and assured continuous support from the library team throughout the course.

Overall, the E-Library session proved to be insightful and empowering for the newly admitted B. Optometry students, ensuring they are well-equipped to make the most of the academic resources at their disposal.

By the end of the session, students gained a clear understanding of how to access both physical and digital library resources, including e-books, academic journals, and research databases. They learned how to navigate the E-Library portal, understood borrowing procedures, and became aware of the importance of responsible and independent learning. The session empowered students to make effective use of the library throughout their academic journey.
