Subject: Unauthorised Absenteeism from Regular Classes

Date: 28.05.2025

To: First Semester B. Sc. Nursing Students (Session 2024-2028)

From: Prof Shilpa J, Vice Principal, School of Nursing, ARKA JAIN University

It has come to the notice of the faculty that some students have been **absent from regular classes without providing prior information or valid justification on 28th of May 2025**. This behaviour is highly unprofessional and unacceptable, especially at the beginning of your academic journey.

As **first-semester students**, it is essential that you understand the importance of discipline, attendance, and accountability. **Unauthorised absenteeism reflects poorly on your commitment** and hampers both your academic progress and the learning environment.

Consequences:

1. **Students who were absent without prior intimation are required to complete 10 days of compensatory duty** after regular class hours, under faculty supervision.
2. This incident will also have a **negative impact on your internal assessment marks**, as attendance and discipline are critical components of your evaluation.

The list of students who are required to perform compensatory duty is **attached to this notice**.

Instructions:

- All concerned students must report to the class coordinator by **29th of May 2025** to receive their compensatory schedule.
- Strict adherence to the assigned schedule is expected. Any further misconduct or negligence will lead to formal disciplinary action.

We urge all students to take this matter seriously and maintain regular attendance and proper communication in the future. **Discipline and responsibility are the foundation of a successful nursing career.**
