SCHOOL OF NURSING

Ref. No: AJU/SON/201/25

Date: 01/09/2025

We are pleased to announce that the School of Nursing in association with **Student Nurses' Association of India (SNAI) & Samaritan the Nursing Club** is going to celebrate **World First Aid Day 2025**, on Saturday, **September 13**, in **Conference Room, Block C** under the theme on "**First aid and Climate Change**". On this auspicious occasion faculty members from the **Department School of Nursing** will be conducting **sessions on First Aid topics** as part of our ongoing health and safety training program mainly **for all Block First Aid In-charges**, whose **attendance is mandatory**. Fraternity of AJU can also be a part of it. The topics covered are attached below.

The other events include

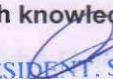

- Theme Presentation by **2nd Semester B.Sc. Nursing (Session 2024-2028)**.
- Quiz competition will be conducted for all the students of ARKA JAIN University in **Room No 117 at Block A, ARYABHATTA**.
- Distribution of **First Aid Box** to all the departmental blocks.

Join us in building a safer, healthier campus through knowledge and action.

WORLD FIRST AID DAY-2025

Date of Event	13.09.2025
Name of the Event	World First Aid Day-2025
Type of the Event	Skill development
Conducted by	School of Nursing
No. of Participants	26

OBJECTIVE:

To raise public awareness about the necessity of first aid skills to respond to emergencies exacerbated by climate change, to empower communities by equipping them with these skills, and to integrate first aid education and practices into climate action and risk prevention strategies globally.

DETAILS:

The School of Nursing, ARKA JAIN University organized an event World First Aid Day 2025 in association with the Student Nurses Association and Samaritan – The Nursing Club on September 13, 2025 at Block C, Conference Room, commencing at 10:00 AM onwards under the theme “First Aid and Climate Change”. The insightful and engaging program aimed at raising awareness about the importance of first aid and enhancing emergency preparedness among first aid in-charges from various blocks of the university. The program commenced with a warm welcome note, addressing the dignitaries, and participants. The sessions were delivered by the faculty of the School of Nursing, who conducted practical demonstrations and discussions on managing various emergencies such as Sprains and strains, Burns and scalds, Wounds and bleeding control, Dog bites, Common medical emergencies, Management of fever. A special session on the use of fire extinguishers was conducted by Mr. Aashish Kumar, Head of Administration, who explained different types of extinguishers and demonstrated their correct usage in emergencies. The sessions were particularly focused on block first aid in-charges, aiming to build confidence in handling real-life emergencies effectively. A theme presentation was given by 2nd Semester students, creatively highlighting the significance of first aid awareness. To further engage the participants, a quiz competition was conducted exclusively for the block first aid in-charges, testing their understanding of emergency response and first aid practices. The program concluded with the distribution of First Aid kits to each block. Prof. Shilpa J, Vice Principal, provided a detailed explanation of each item in the kit, its use, and emphasized the importance of maintaining proper documentation in the first aid register. The event was a great success, fostering awareness, preparedness, and practical knowledge among the participants, and reinforced the importance of first aid in saving lives during emergencies under the supervision of (Principal) Professor Mrs Ginu Anie Joseph and guidance of Prof. Shilpa J (Vice Principal) with the authorization of Pro Vice Chancellor Professor Dr. Angad Tiwari.

TAKEAWAY (OUTCOMES):

The program enhanced participants' understanding of first aid and emergency management through practical demonstrations and hands-on training. Block-level first aid in-charges received focused instruction, including fire safety awareness and equipment handling.
